Extremely good to handle, barely anything fidgeted at all in the crush or race with nearly all walking on and off the scales calmly without rush. The vendors spend a lot of time handling their cattle and it shows in how calm and content they are.

Assessor Comments	From the renowned "Longway" Santa Gertrudis herd of cows, large frame & exceptional temperament & quality. A pleasure to handle - true front paddock steers. Steer weaners on the move growing well since weaning, great bone length and style. A very even draft , very clean and tidy heads with the majority poll.
