Temperament

Yards	Crush	Paddock
Quiet: 36 head	Quiet: 31 head Slightly Stirry: 5 head	Temperament not assessed in Paddock

Easy group of Heifers to walk around, quiet in the yards and drafting pound. Just a couple were unsettled in the race leading to the crush but were never a problem. Once back with mates would be hard to pick which ones they were. Weaning process has help with temperament of Heifers.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	A nice line of crossbred Heifers, The Santa/Charolais puts some softness into the breed. Ideally would make nice future breeders also being ideal trade feeder heifers. These heifers have plenty of stretch and leg and should be able to carry some weight. With current weather conditions they are doing well on the pastures, was really happy with how Heifers drafted up and presented. Heifers are on the move and starting to lose their winter coats...Nice even line of Heifers. This vendor also has 36 Steers in same sale ..
