Vendor Comments	A handy line of Steers, really enjoying seeing the growth out of the Santa cross steers. And there is 1 Angus Steer, the Neighbours bull snuck in overnight.

Nice group of Steers to handle, walked through process easily. There was just a couple of steers that were unsettled during weighing process but once back with their mates settled into group. The vendor's weaning process has certainly shown up while handling these steers.

Notable Traits

	Traits
1 Head	Angus Steer (Neighbours Bull)

Assessor Comments	Ideal Steers for a Trade Feeder job, Failed crop or grow out to Bullock weights. The Santa infused cattle crossed with the Charolais cross females has put plenty of leg and bone into these steers, I have seen previous steers on feed and have done extremely well. There is one Angus steers as per photos from the Neighbours Angus Bull, he is a good growthy steer and shouldn't disappoint. Steers are starting to lose their winter coats and going through a growth spurt. Handy line of steers to suit many different jobs. This vendor also has 36 Heifers in this same sale
