Assessor Comments	A quality line of Hereford and Hereford cross yearling heifers off the crop. Heifers are vendor bred and were identified to be retained as future breeders. Only being sold due to seasonal conditions. Heifers are bred from a quality Yalgoo genetics cow base. Heifers are in forward store condition having been on the crop since weaning and are ready to join to the bull of your choice. These heifers represent a great opportunity to purchase young quality breeders or would be ideal heifers to fatten for the trade. Buy with confidence. PLEASE NOTE: Vendor has a lot of yearling steers in same sale
