Vendor Comments
 Reluctant sale due to seasonal conditions. Quality steers which would normally be grown out to bullocks

Temperament

Yards	Crush	Paddock
Quiet: 22 head	Quiet: 20 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

Steers were yard weaned and have been extensively handled. Steers were good to work through the yards and crush. 2 steers did became agitated in the crush but quickly calmed down once returned to the mob.

Handled With	Bikes , Dogs , Vehicles
Assessor Comments	A quality line of vendor bred Hereford and Hereford cross yearling steers. Steers have been yard weaned and were very good to handle. These steers are bred from a quality Yalgoo genetics cow base and will perform. Steers have been running on native country and will respond quickly to improved nutrition. Steers with plenty of frame which would be ideal to fatten for the feedlot or to grass finish into bullocks. Buy with confidence. PLEASE NOTE: Vendor has a lot of yearling heifers in same sale
