Assessor Comments	Extremely attractive well grown Steers, Easily handled, 1 had some white on underline the rest are black. One had small scurs. The mothers are very large well managed Santa Cows (they are also very quite). The Steers have no large ears and have taken after the sires (Waitara Angus stud bulls L124 & L132). These are quality young heifers with good frame and type to breed top quality calves for the future. I strongly recommend these Steers they are extremely impressive. 25 sisters are also in this sale,
