Assessor Comments: 53 Angus feeder steers, averaged 450kg with there 1st shot of Coopers Bovilis MH IBR (BATCH NO. 2229325). Vendor bred Moogenilla blood steers. Buyers here's a great opportunity to purchase a quality line of vendor bred steers. These cattle are very well bred and are sired by good quality Angus bulls out of large frame cows. Steers with a heap of bone and plenty of length, ready for crop or feed. These cattle have been noted as great performers in local feedlots. Buyers these steers are really on the do and haven't had a set back. Buy with confidence, Highly recommended.
