Assessor Comments	Excellent quality line of Aug/Sept 2022 drop Angus Steers that present in forward store and slightly forward condition. Very well grown and doing very well on improved pastures that are in excellent condition. Range of bloodlines from Bongongo and Kenny's creek bulls used with big frame cows. Steers range from 407Kgs to 530 kg out of the paddock. These steers are proven performers and are ideal to feed on to take onto heavier weights if given the opportunity. The eyes at assessment were clear with no old or active pinkeye. NOTE (1 steer with white spot-on right-hand side of the body. Steers offered $/head and c/kg for buyer assurance. Vendor happy to be flexible with deliveries to work with other cattle to fill trucks if required.
