Assessor Comments	Quality line of Angus heifers that have continued to go forward with season in front of them. These heifers show good frame & bone and would be ideal to take home and join to a bull of choice and retain in any breeding operation or to take through to heavy feeder weight or supermarket/export trade. These cattle are easy to handle and given the right nutritional plane & season Infront of them these cattle will continue to perform. Buyers please note, these heifers will be sold run out the gate, vendor willing to adjust numbers if successful purchaser buys both lots.
