Assessor Comments: Noorinya Angus, Coleraine, Vic, will offer 54 Angus Heifers 18 - 19 months, Dollar Angus Bld, NSM, Grass fed & Antibiotic Free. A great opportunity presents to buy a quality line of Vendor Bred Angus Heifers ready to join to the bull of your choice. Bred from a quality Angus Cow herd based on Dollar Angus and Banquet. A majority of these heifers would've been bred in the Vendors AI program using Dollar Angus bulls and also backed up by Dollar Angus bulls. They are only on offer as vendor is keeping more Spring drop Heifers. They well present in healthy store condition & just starting to clean up in the coat, weighed from 338 - 455 kgs to ave 393 kgs (full at assessment) As mentioned a quality line of future breeders, or would be ideal to finish on grass or grain for current markets, they will come with upside as they are all frame and not to forward. Heifers were an absolute pleasure to handle, would be perfect for anyone looking to start an Angus herd from scratch.
