Assessor Comments	Buyers a neat deck line of Santa heifers. The heifers in this lot are only being marketed to insure the vendors and retain their breeding herd in an ongoing dry season. These heifers display plenty of frame, length and softness with these attributes and the noted performance of the Killarney Park herd they will grow into top quality feeder weight heifers to meet domestic markets. Please note there is 3 heifers with white markings on their underline and 3 heifers with light worm scaring. There is also 2 heifers with a droopy ear from tagging as well as 3 double muscled heifers and 1 with a slightly enlarged navel. This vendor will have another 3 lots of cattle in the same sale.
