Assessor Comments	A Real good quality line of of backgrounding steers, just shy of entry weights to the feedlot these steers offer a quick trade if needed or take right through to the heavier end of the feeder grid. Cattle would also suit a grass fed program, steers are showing a lot of thickness and are good heavy boned cattle. Steers are well bred from herd of large frame cows and were sired by A.I Sons of Ardrossan Casino. The seasonal conditions have forced an early sale, usually steers go direct to local feedlots were the Angus premium criteria is met every time. Please note the odd steer has a small amount of warts. With rain looming don't miss out on this opportunity to secure this line of Quality steers.
