Assessor Comments	A line of 87 top of the drop vendor bred steer weaners. From a line of excellent quality cows, either vendor bred or purchased in as high end classed cows. All top quality genetics used from a premium blue ribbon breeding area. Lots of compensatory growth available on this mob of steers. Ideal premium quality cattle, actively pursued by major feedlotter. Above average stats on older brothers on 150-200 day programs. Can sign a grass only declaration for grass. Nb: Another line of 67 full brothers for sale in same auction. (On home property 80km west)
