Assessor Comments	A small run of steer weaners out of the Clea Angus herd, one of the Monaros better angus herds. Steers have come through a tough winter and are all frame currently but will bounce ahead if given the opportunity. Bred out of large framed Clea cows by high quality Clea bulls that will reach feedlot/kill weights quickly if given the chance. Please note: vendor also has 2 lot of joined females on Auctionsplus today.
