Assessor Comments	Very well bred 2 deck line of Te Mania blood Angus steers which weighed 451kg full (397-518kg). The majority of these steers (41/52) were purchased from Team Te Mania member Ray Cooper, Beech Forest in Victoria, which has been in the Team Te Mania program for 17 years. The balance of the steers are vendor bred also using Te Mania bloodlines. Sires used in the Team Te Mania program are some of the best in the country, with particular emphasis on marbling, growth and temperament. These are ideal steers to go straight onto feed or grow out to heavy grassfed kill weights. Please note; six head observed with warts and 4 observed with an old eye scar. Steers have had their first shot of Bovilis MH + IBR to satisfy most feedlot requirements.
