Assessor Comments	15 good quality Angus and Angus X Cows and Calves with plenty of milk, this is a dispersal of the whole breeding herd and the property has been leased, nothing retained, all cattle are listed on Auctions Plus today. Very good line of Angus X cows and calves, medium frame with good shape and condition, these cows have excelled off coastal pastures and present with very good calves at foot. Approximately 7 cows with a blue fleck, and a couple of cows showing slight BI. Calves are unmarked.
