Assessor Comments	A small but good quality line of very quiet, Angus second calvers with fresh, angus calves at foot. Calves are by Hazledean blood bulls and are unmarked. Cows are of good medium to large frame and are presenting in fresh forward store condition. Cows are putting everything into their calves and are doing a good job on them. Quality cows that would benefit from a drench, lice treatment and a fresh paddock. An opportunity presents to purchase a line of young breeders that would normally be retained and are only being sold due to ongoing seasonal conditions. Vendor also has similar article in same sale.
