Assessor Comments	Well here is an opportunity to purchase some well performing Shorthorn cows they are of Weebollabolla, Royalla and Yamburgan blood and are 4 yrs old only just having their 2.5 to 4 month old calves weaned at the start of the month. They have had the opportunity with the Angus bulls (Tivoli and Coolie Angus) and will be with them until delivery. It was a privilege to work with such well handled cattle moving quietly through the yards and crush. Please note there is two cows with a blue spot on their off side eyes not detrimental at all and three cows with horns.
