Assessor Comments	An outstanding Killara Rise Black Simmental bull - T279 is a later maturity bull with length and muscle to him. A bull that is smooth over the shoulders.Killara Rise are offering an excellent line of Purebred Black Simmental bulls and the first of our SimAngus Bulls, all showing plenty of length through the body, depth, width and a power of muscle through the stifle, rump and loin. The Dams are reknown for their longevity and fertility, stemming back to a Powerful, thick, Canadian bred bull, Black Joker. The Sires are Valley Creek November Rain and Valley Creek Night Rider, linking back to Augustus and TNT Tanker Bloodlines. These Killara Rise sires have all the right breeding and plenty of profitability for any herd. Ideally suited for a range of market specifications.
