	Generally quiet cattle that are assessed as docile in the past. Believe the only reason they are put as quiet is due to the inclement weather on the day.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	Due to the unfortunate breakdown of a bull, these girls are being put up for sale. Good honest cows that through no fault of their own are being sold. Vendor would have retained these cattle if they where pregnant. Rub marks on the hind quarters and visually seeing them bulling indicatess these girls are ready to go. Ideal article to join to the bull of your choice on day 1. Have plenty of breeding behind them. Please note the vendor has two others lots in this sale.
