Assessor Comments	Small group of nicely bred Hereford Heifers with big, Black Baldy calves at foot and running back with the same Wattlewood Angus Bull since 1st October. Generally of large frame with Two smaller heifers in the line. Bull will remain in the mob until delivery. Too early to preg test but every chance we are offering 3 in 1 outfits. With Cattle at current price levels it makes sense to be buying good quality, young outfits such as these.
