Assessor Comments	Here are 34 young vendor bred Dorper Ewes rising 3 & 4 year old, this is the total number, as they were bred, not removed from a larger mob for any reason. Only for sale due to being progeny of single ram used on property. “Pinedell” is a smaller holding and this line of ewes are for genuine sale. Ideal replacement young ewes that should join well and will provide plenty of bundles of joy for years to come.
