Assessor Comments	A great opportunity to purchase a very good quality line of 1ST X EWES in the prime of their lives. These 2yo large framed fertile Ewes are a Flock Dispersal for the Collins Family and are for offer due to a change in farming direction. These Ewes had 135% marked lambs at foot at weaning and were weaned 18/9/23 at shearing. Approx 50 head were purchased as Ewe lambs at the Annual Forbes 1STX Ewe Sale which are carrying a Tail Strip & Approx 150 head were vendor bred that are Muelsed. All the Ewes have been performance recorded with EID Tags for fertility and weight gain and have had a 5% tail removed for off types or feet. These Quality 1STX Ewes carry my strongest recommendation and can be bought with confidence.
