Assessor Comments	A very good quality line of first cross maiden ewes. They present in forward to prime condition, and are ready for the rams. They were purchased in late January as weaners direct from the breeder. They have grown out well, are a nice even line, and will continue to mature into excellent medium/large frame prime lamb mothers. All one mark, small tail removed. There's also two other lots of ewes in this sale, all of very similar genetics.
