Assessor Comments	A rare opportunity to purchase top quality young 2.5 YO Classed In ewes which are in great order being 66 KG (AVE) and proven breeders. This line of ewes have the genetics and quality to join to merinos to increase or start a merino flock.This lot of ewes all had a lamb in 2023. The East Loddon flock has been concentrating on easy maintenance, fertility and meat yield, while still cutting quality wool. The Hooke's family would normally sell older ewes but due to values they have decided to sell a run of younger ewes for your advantage. Please note there is another 210 ewes of this age in todays sale.
