| Assessor Comments | Acc Petaren, 170 5yo ewes, M&TS, Sept shorn. This is an excellent line of breeding ewes that have had drys taken out at lambing every year and I drafted out a tail condition line after shearing. All ewes were mouthed sound and all ewes are M&TS. They are Foward and fresh and moving Foward in condition and have large frame. These are strong breeding ewes that produce good terminal XB lambs. Buy with confidence you are getting good breeders. ##vendor also offers 121 green tags in same auction## |
