Assessor Comments	An outstanding line of ewe lambs from a high performance flock with a great reputation. They are well grown, in prime condition and ready for joining. All ewe lambs 50kg +. These are the tops of the drop off this property and present a wonderful opportunity to either make a start into shedding sheep, or bolster your own flock. Vendor consistently achieves 48-50% dressing (off full weights) for the wether lambs on hook; the brothers to these girls went 29kg at 6 months! Mature flock are big barrelled ewes with good shedding traits and excellent lambing percentages. Note, ewe lambs will stay on mum till delivery. Vendor has another line in this sale.
