Assessor Comments	Annual draft of the O'Brien Family's surplus heifers off "Glenanaar", these cattle have given terrific results off both grass and feedlot feeding programs in the past and present an excellent opportunity to secure very good future breeders. Heifers are by Outwest Angus bulls out of large frame Wiruna blood Hereford cows. The Glenanaar cattle are some of the best in the Gulargambone district and are not to be missed! please note; 4 heifers with old pink eye scaring. All heifers have been marked with a cut in the dewlap see photos and videos.
