Handled With	A nice mob of heifers to handle. No fuss throughout entire process Bikes , On foot , Vehicles		
Assessor Comments	A nice line of Karoo blood Angus heifer yearlings. August / September drop, weaned in May these heifers are now really kicking on showing plenty of frame and scale. Would be ideal to put to a bull to keep as breeders or to feed on and fatten would hit all the targets. No access to any bulls here so can buy with confidence. Certainly worth a close look.
