Assessor Comments	44 Quality Well educated Vendor bred Hereford and Shorthorn (Bendulla, Tarcombe, Taronga, Tatalia, and Yamburgan Blood) Heifers. The Heifers were born in northern NSW and have come home from agistment and have 12 day yard weaned from the 6/10/23, and handled through the yards everyday. Heifers have plenty of bone and have done it hard, have been drenched and vaccinated and are ready to boom ahead, with all the hard work already being done for you, just show them the feed and watch them perform. Please Note: A small % of weaners with pinkeye have been treated @ assessment and a % of weaners have old pinkeye scarring. Brothers in today's sale also
