| Handled With       | Heifers were easy to work through the race and into crush. Walking through heifers taking photos and video heifers remained extremely quiet.<br>Bikes , On foot , Vehicles                                                                                                                                                                                                                   |
| Assessor Comments  | A line of 17 extremely quiet Murray Grey heifers that have been weaned for two months. Note: one heifer has old signs of ring worm around one eye. Heifers will be delivered to the Strathalbyn Saleyards at the vendor's expense. The vendor has another line of heifers and a line of steers in the same sale.                                                                             |
