Assessor Comments	A quality line of Black Angus steers calves, April/May 2023 drop. These are commercial steers out of the Tooperangus Stud, and as such come from top genetics. The sire bulls are from a Te Mania foundation with the Dam side originating from Willalooka and Team Te Mania bloodlines. They have been yard weaned as of 25/10/23. They were drenched and vaccinated at the time of weaning. This is the lighter line out of their main draft. The main draft of 43 will also be offered in the same sale.
