Assessor Comments	Buyers on offer is a very good quality line up of weaned Limo x Limo cross steers. Only for sale due to dry conditions, these steers would normally be kept until February/March and sold around 300kg. They show solid frame and present in good store condition. They have a naturally bred in quiet temperament and were a pleasure to handle. By a registered Limo bull, these are the brothers to the Reserve Champion Carcass steer at the Ekka this year. They are performance bred steers with natural doing ability. A great opportunity to buy steers with not a lot of weight that will make great trade steers or easily carried onto heavier feeder weights. Please note the vendor has another lot of steers in this sale by the same registered bull out of Limo/Limo x Murray Grey cows.
