Heifers were an absolute pleasure through the entire assessment process. These heifers have tremendous temperament and would suit all livestock handling ability.

Handled With: Bikes , Vehicles

Assessor Comments: Buyers, On offer is a small neat line of Angus X Angus heifers that have years of breeding. Heifers are bred out of top quality "Kala" Ex stud cows and sired by renowned Te-mania and Airvale stud bulls. Heifers weighed 235 - 347Kg to average 294Kg at assessment. Quiet Temperament is a trait that is highly selected for at the Kala property and these heifers are no exception. With all health treatments up to date these would be an ideal start up mob or addition to a self replacing herd. For further information please call.
