Assessor Comments	Good line of Angus sire yearling heifers, out of Droughtmaster, Charbray, Angus cows. Heifers were yard weaned late April 2023 been on a rotational grazing system since then, on short dry feed. They are the bigger heifers of a large run, they are in strong store condition that will benefit from a rising plane of nutrition. Heifers would suit feedlot or heavy slaughter market. Heifers handle well with dogs and buggy.
