| Assessor Comments | 17 Angus x Angus heifers, here are a very true to type line of young put away females. Ave 204kg at assessment these calves are by Booroomooka bred bulls & out of New England bred angus cows. In the future they will suit all markets from feeders through to Grass/Grain fed domestic kill or even out to export weights. More importantly these heifers will grow out into future breeders, here are females with genetics, type & temperament. |
