| Assessor Comments  | A nice line of Angus Steers that have been Vendor bred to Hazeldean bulls. 3 Steers are black baldys with white patches on them the rest are straight black. Steers are weaned but have still been running with cows. Some steers seen to have minimal bos indicus content.                                                                                                                             |
