Assessor Comments	B Double line of Angus feeder steers presenting in good store to forward condition, have done well since arriving early '23. Still carrying their winter coat, some steers with mud on legs, observed approx 12 head with some warts on face & neck, 1 head with white underline, 5 head with cloudy eye, deemed not detrimental. Steers marked on rump with pink paint for management only. Vendors tags will be removed prior to delivery. Steers ready to go ahead on feed, quiet to handle through yards and accustomed to feeders. Please note other runs of steers same sale.
