Assessor Comments	Exceptional line of Wirruna blood Hereford steers The Aumann family have been breeding with the Wirruna bloodlines for the last 10 years and these steers are very true to type with ideal temperaments to match. These steers were a pleasure to		

assess and they have plenty of frame and structure and will continue to perform given the opportunity to feed. Very easy going lads that have been well handled and weaned since March and they also received a drench on the 19th of September, setting them up to continue to flourish. Please note one steer has scarring on eye, not deemed detrimental. Vendor has another 2 lots in this sale
