|-------------------|---------------------------------------------------------------------------------------------------------------------------|
| Assessor Comments | A line of 33 quality, extremely quiet Murray Grey steers that have been weaned for two months. They are showing plenty of |
|-------------------|---------------------------------------------------------------------------------------------------------------------------|

growth and weight for age. A tight weight range of 352kg to 424kg shows how even the line is. Steers will be delivered to the Strathalbyn Saleyards at the vendor's expense. The vendor has two other lines of heifers in the same sale.
