Assessor Comments	Buyers on offer are two good quality first calf heifers with calves at foot. Not station mated, these heifers are ready to be joined to the bull of your choosing. These heifers have a nice quiet temperament, show good bone structure, present in strong store condition with good frame and are nice feminine types. They both have nice neat udders and are doing a great job on their calves. Mouthed 4 teeth, they have their entire breeding life ahead of them. One male and one female calf, both are good healthy calves showing good shape.
