	A nice mob of heifers to handle. Were no trouble throughout the entire assessment process. Properly educated, a pleasure to work with
Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	A very nice single deck line of Angus heifers, preg tested up to the Hazeldean Angus sire. Nicely grown out and in ideal condition these heifers a=have the scale to power on until the expected calving commencement at the end of March. Autumn calving females are not the easiest thing to find on the tablelands and these would be great to take on either as a stand alone line or as an addition to an existing herd. Very nice quality with plenty of breeding behind them they are certainly worthy of close consideration
