Assessor Comments	20 x 20 Angus cows and calves, Calves are sired by TWYNAM Q2 PV. Vendor is only selling due to the season continuing to tighten up in the local area. The cows are in working condition but with plenty of frame they will go ahead well given the opportunity. Calves are 2 to 5 weeks of age so all care should be taken by the successful purchaser to follow transportation guidelines. All Male Calved have been marked. An opportunity to purchase young cows and calves that will bounce along well with a change of feed.
