Assessor Comments	An opportunity to buy some of the best in Limousin genetics on offer and are only being sold as the last of the herd dispersal of 'Newton Wood'. Property has been leased. They are big roomy cows, true to the type and breed with very good Limousin calves at foot. There are 18 pure Limousin and 4 Limo X Red Angus or Angus X Cows in this line. Cows are very quiet and easy to handle, one of the major selection criteria used by the vendor.
