Assessor Comments	A small group of mixed age Red Angus females with calves at foot. A percentage of these females are registered. A group of big bodied females with plenty of length and carcass that are doing an outstanding job on their calves. 3 young bull calves haven't been marked with the option for buyer to raise herd bulls if desired. Ready to join to the bull of your choosing, these cows have plenty of breeding left in them. Haven't been joined to this point in an attempt to pull them back into a tighter joining. Vendor has another lot of red heifers and calves in same sale.
