Assessor Comments	Nutrien is pleased to present Jackaroo's ELZR61 for sale in the inaugural Stud Angus Female Sale for Jackaroo Angus stud. This registered female and her calf have been offered due to tightening season and fresh heifers coming through. She is doing an excellent job on a sappy calf. She goes back to Rennylea C1 on the dam side and Te Mania's Africa on the sire side. All the Jackaroo cattle are handled frequently and walked through yards regularly so have a good reputation for being quiet and safe for anybody to handle. Bulls and females are presented in their working clothes with no special feeding occurring so should bounce away upon arrival at their new homes. Vendor can deliver females locally or away if organised prior to sale.
