Assessor Comments	Nutrien is pleased to present MSA22T5 for sale in the inaugural Angus Bull Sale for Jackaroo Angus stud. The first of the 22 drop bulls, Suitable for heifers, with moderate growth, excellent docility and +2.9 IMF, this bull would be suitable for any Angus enterprise. All the Jackaroo cattle are handled frequently and walked through yards at weaning so have a good reputation for being quiet and safe for anybody to handle. Bulls are presented in their working clothes with no special feeding occurring so should bounce away upon arrival at their new homes, currently doing 1.5kgs/day. These bulls have been used to back up the AI program at Jackaroo Angus. Vendor can deliver bulls locally or away if organised prior to sale.
