	Well handled cows that are a pleasure to do anything with. Cattle avoid you at 2 meters.			
Handled With	Bikes , On foot , Vehicles			
Assessor Comments	Genuine reduction sale of classed in cows and calves. Angus cows with calves at foot, cows selected for maternal strength, structural integrity & temperament. These cows are showing plenty of milk even in the current dry conditions, doing an outstanding job on their calves. All cows light in condition and provide massive upside to the most discerning of buyers.
