Assessor Comments	25 PTIC Autumn calving Angus Heifers This line of Heifers present in excellent order and have been well handled. Bred from sires out of Merlewood Angus Stud, other progeny have a great reputation in local store markets with many repeat buyers chasing these high performing cattle. Full lines of this quality are not set for sale often, gifting a huge buying opportunity to secure a portion of a renowned local herd to calve down and inject some quality into your herd. Heifers will grow on to provide excellent breeders for your articles and have their whole breeding lives ahead of them.
