				Fair	11%	
Assessor Comments	Buyers, on offer 660 MN3 Wool Grower Wether Lambs (Run out the gate of 1360). Weighing 26 to 38kg to Ave 32.2 kgs at assessment. October – November 2022 Drop, shorn october 2023. Wethers present in store condition given the right opportunity should continue to do well. All health treatments are up to date, wethers are on the Barbervax program receiving all 3 priming injections. Wethers are pure Queenlee blood, out of a heavily classed Merino flock. The Carlon family have been running large framed, heavy cutting New England merinos on the Salisbury Plains south of Uralla for over 150 years and in their current form as a registered stud for over 80 years. Queenlee puts intense classing pressure on the constitution, the structure and the wool of their breeding flock under commercial conditions. This Presents a great opportunity to purchase a young line of woolgrower wether lambs from a well renowned stud in the New England. Please note that this vendor has 3 lots in the sale.
